ICSSR Sponsored National Conference SAMUNNATI 2026

*Accelerating SDG Impact Through Collaboration and
Innovation in the Vision of Viksit Bharat @2047*

7TH JANUARY 2026

Organised by :

**Royal School of Commerce
The Assam Royal Global University, Guwahati**

In association with IQAC,
The Assam Royal Global University (RGU),
Guwahati-781035, Assam, India

Collaborating Partner :
West Guwahati Commerce College
& Datamation

Venue :

**The Assam Royal Global University Campus,
Guwahati-781035, Assam**

ABOUT THE CONFERENCE:

Samunnati 2026 is envisioned as a national platform to accelerate India's progress toward the Sustainable Development Goals (SDGs) in alignment with the aspirational vision of Viksit Bharat@2047—a roadmap for India's transformation into a fully developed, inclusive, and resilient nation in the centenary year of independence. Anchored in the principles of collaboration, innovation, and equity, the conference seeks to catalyze transformative action across sectors through dialogue and partnership. By convening policymakers, industry leaders, academicians, development practitioners, and civil servants, the conference will explore integrative models that harness technological advancements, sustainable finance, and grassroots level innovation to fast-track development outcomes. The event aims to bridge the policy-implementation gap by promoting multi-stakeholder engagement, particularly in Public-Private Partnerships (PPPs), Corporate Social Responsibility (CSR), and community-driven approaches, all vital for localizing the SDGs. A key focus of Samunnati will be leveraging frontier technologies such as Artificial Intelligence, Big Data, blockchain, and digital platforms to democratize access, ensure transparency, and enable inclusive economic growth. These innovations will be examined through the lens of their role in bridging socio-economic disparities, enhancing digital public infrastructure, and empowering communities, particularly women, youth, and marginalized groups—a cornerstone of Viksit Bharat @2047.

The conference will also spotlight sustainable finance and economic inclusion (SDGs 1, 3, 4, 5, 10, 16), with discussions on impact investing, ESG frameworks, microfinance, and social entrepreneurship. These themes underscore the urgency of mobilizing resources for equitable growth, self-reliance, and long-term prosperity, aligning closely with the Viksit Bharat vision of a self-sufficient, innovation-driven India.

By championing collaborative action, community resilience, and digital transformation, Samunnati 2026 will contribute meaningfully to the realization of Viksit Bharat @2047, aiming to make development not only inclusive and participatory but also future-ready.

OBJECTIVES OF THE SEMINAR:

- To strengthen dialogue on SDG acceleration through partnerships.
- To promote technology-driven models for sustainable development.
- To examine sustainable finance and private sector contribution.
- To facilitate knowledge exchange across sectors.

SUB THEMES:
